Dear Parents/Guardians,

Re: Home Based Learning (HBL) during PSLE Marking Days (15 – 18 Oct)

In our In Touch issue for Term 4, we have indicated that pupils will not report to school from 15 to 18 October due to the PSLE Marking Exercise.

A Home Based Learning (HBL) plan has been prepared for your child/ward to engage in learning during this period of school closure. The details of the plan is attached with this letter. The HBL will include online learning activities in the Singapore Student Learning Space (SLS). The online content in SLS is accessible on both personal mobile as well as computing devices. Our students have received their SLS accounts in May this year. In addition to SLS activities, your child/ward will also be provided with printed learning materials and other offline learning activities to balance screen time.

We have provided additional information in the next page regarding the Singapore SLS for your easy reference. For general enquiries, you may contact the General Office at 6283-5413, Monday - Friday from 8.30 a.m. to 4.30 p.m. Please note that teachers will be on marking duty and will not be in school during PSLE marking days to address queries on HBL.

Thank you.

Yours sincerely,
Year Head
